DETAILED ACTION

1. The indicated allowability of claims 1 and 2 is withdrawn in view of the newly discovered reference(s) to Hatanaka et al (JP 7-218416, English translation).

Rejections based on the newly cited reference(s) follow.

Claim Rejections - 35 USC § 102

2. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

3. Claims 1 and 2 are rejected under 35 U.S.C. 102(b) as being anticipated by Hatanaka et al (JP 7-218416). Hatanaka et al discloses a grinding tool 10 comprising a tool base 12 having a surface set to have a first color, a plurality of abrasive grains 16 discretely provided on the surface of the tool base 12 and formed of so that a surface of each abrasive grain 16 is set to have a second color different from the first color, wherein the tool base 12 is coated with a coloring agent 20 so that the surface of the abrasive grains 16 is colored differently from the surface of the tool base 12 (note Fig. 1-3, paragraphs [0013] to [0016]).

Allowable Subject Matter

4. Claims 5-20 are allowed.

5. Claims 3 and 4 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Conclusion

6. Applicant's submission of an information disclosure statement under 37 CFR 1.97(c) with the fee set forth in 37 CFR 1.17(p) on 19 October 2004 prompted the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 609(B)(2)(i). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

7. A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
